

THIS IS CHEF BACK

With every moment in life, one creates a memory so profound that one must share it with the rest of the world. Either as a former professional snowboarder or Michelin Star Chef, his boundless creativity and genius approach took him all over the globe.

Through his love for food and sense of adventure, Chef Akira was able to bring these very same profound memories to his namesake restaurant, Akira Back, a modern Japanese restaurant. At Akira Back, we invite you to experience these moments with us, and together create profound and delicious memories.
